## BACKGROUND

At the March 29, 2006 Council meeting, a resolution was passed supporting a contribution of \$200,000 to assist Maison "La Paix" in its capital project, which is to develop and construct a new ten bed bilingual Community Residential Hospice (CRH) in Sudbury. Council directed staff to find a funding source so that the money could be advanced to Maison "La Paix" over the next twelve months.

As identified in the 2005 Year-End Position report, dated June 14, 2006, there are sufficient uncommitted funds in the Tax Rate Stabilization Reserve.

Therefore, it is recommended that Council fund its commitment of \$200,000 to Maison "La Paix" from this reserve.
