Dear Ms. Hache,

I am writing to you today in the hopes of scheduling a time when the Junction Creek Stewardship Committee can make a brief presentation to council.

Our committee received a generous amount of funding from the City in 2007 and we would like to give Council an update about how that money was used to provide programming in our community this past year, as well as our plans for 2008.

We would only need a few minutes of their time and would prefer to do the presentation as soon as possible.

I look forward to hearing from you,

Allison Muckle
