Attached is the **2005 Waterworks Summary Report** for Council. The Act requires that by March 31 of the following year that a Summary Report be given to Council for each system which must:

- List the requirements of the Act, the regulations, the system's approval, and any order that the system failed to meet at any time during the period covered by the report and duration of the failure; and for each failure describe the measures taken to correct the failure.

Each summary report must also include the following information for the purpose of enabling the owner (Council) to assess the capability of the system to meet existing and planned uses of the system:

- A summary of the quantities and flow rates of the water supplied during the period covered by the report, including monthly average and maximum daily flows and daily instantaneous peak flow rates.
- A comparison of the summary of the above flows to the rated capacity and flow rates approved in the system approval.

## Background

On January 18, 2006, Council appointed 10 citizen members to the Healthy Community Cabinet who would represent each functional sector of the healthy community strategy (economic, social and environment), as well as the multi-sectoral partners being public, private and non profit. At the time of appointment, Council was advised that it was proposed that Cabinet review the membership at their first meeting and advise of any other members that may be required to provide representation of other sectors. The Healthy Community Cabinet met on March 3, 2006, and upon review of the membership, are recommending the addition of the following individuals:

- . Deb Nicholson, Greater Sudbury Chamber of Commerce
- . John Filo, Past President, Labour Council
- . Gisèle Chrétien, President elect, Sudbury Regional Hospital
- . Brad Robinson, President, Native Students Association
