 Tim Beadman Acting General Manager, Emergency Services	 Mark Mieto Chief Administrative Officer

Date: March 1st, 2007

Report Prepared By	Division Review
 NORM BUCHY FLEET & EQUIPMENT COORDINATOR	 MARC LEDUC ACTING FIRE CHIEF

At the February 28th, 2007 City Council meeting, Council deferred the awarding of the Request for Proposal for the purchase of one Urban/Rescue Pumper and directed staff to include, in their report, the total price submitted from the three proposals received.

Requests for Proposals were opened at the Tender Opening Committee Meeting of December 5th, 2006, for the purchase of one Urban Rescue / Pumper for the Fire Services Division.

This RFP specification was put together by a Committee from Fire Services, who were also involved in this recommendation. The specifications were developed based on our needs and are an accurate reflection of what is required to meet the long-term needs of the City of Greater Sudbury Fire Service with respect to an Urban Rescue Pumper. Prior to advertising the RFP, a draft copy of the specifications only were sent to all suppliers for their input and none responded.

The Request for Proposal was advertised on the City's Website by our Supplies & Services Division within the City.

There were three bids submitted:

- American Lafrance (Darch Fire)
- Eastway Tank
- Dependable Fire Trucks

Part of the process was to rate the bids on the following criteria:

Specifications - 50 %
Price - 30 %
Delivery - 10 %
Warranty - 10 %

The following chart illustrates the total score attained from the 3 bids that were submitted, using the above criteria weighting system. Staff have also included the total bid price submitted by each of the three bidders:

Company	Total Price (including GST)	Specifications	Price	Delivery	Warranty	Total Points
American Lafrance	\$475,929.40	30	30	5	10	75
Eastway	\$507,588.17	30	20	10	0	60
Dependable	\$508,767.60	40	10	0	0	50

Date: March 1st, 2007

Proposals were evaluated by a staff committee comprised of Norm Buchy, Marc Leduc, and Roger Delaire, Supplies & Services Co-Ordinator.

After evaluating and applying the Grid Criteria Weighting system, an award is recommended to American Lafrance for the purchase of one Urban Rescue/Pumper in the amount of \$475,929.40 Canadian dollars. A Purchase Order will be issued to Darch Fire, who is the Canadian Dealer for American Lafrance.
