This letter is related to tonight's Managers' Report pertaining to the Miscellaneous User Fee By-law.

As you may recall, Council agreed to refer this item to the Mayor and Council's Roundtable on Seniors' Issues, and in fact, it was dealt with at the meeting of the Roundtable on April 4<sup>th</sup>. The members of the Roundtable agreed, in a majority vote, to approve Option 2 with a slight modification, being that this policy change would result in no impact on future tax levies.

Tonight, unfortunately, because of other commitments, I am unable to attend the meeting, but this letter is intended as an endorsement of the Roundtable's decision.

All the best in your deliberations!

Yours truly,

A handwritten signature in black ink, appearing to read 'Ted Callaghan'.
