

CONSENT APPLICATION GUIDE

APPLYING FOR CONSENT

Consent granting authority in the City of Greater Sudbury is vested in a Consent Official appointed by City Council.

Under the provisions of the planning legislation of this province, a Consent Official is empowered to deal with applications relating to a number of transactions affecting land such as the creation of a new lot or parcel, the creation of an easement/right-of-way and granting a long-term lease for 21 years or more.

The consent granting framework is formally established in the Planning Act R.S.O. 1990, c.P.13. The processing of applications considered by the Consent Official is performed by an administration which must also adhere to specific legal requirements.

DEALING WITH THE APPLICATION

1. If sewage disposal will be provided by a privately owned and operated individual septic system, a privy or a means other than a publicly owned and operated sanitary sewage system:

Attend at the Environmental Health Division of the Sudbury and District Health Unit, located on the main floor, 1300 Paris Street, Sudbury, with a copy of the completed application and sketch to make formal application for their comments concerning the capability of both the severed and retained portions of supporting a Class IV private sewage disposal system to service a standard three bedroom dwelling in accordance with the Ontario Building Code. If, however, your proposal will result in the immediate or cumulative creation of more than 3 new lots from a single parcel of land, comments, based on the same criterion, must be obtained from a qualified professional, such as an engineer. Upon receipt of these comments, if favourable, proceed to file the Application for Consent with the Office of the Consent Official. If the comments are NOT favourable, the applicant will be saved the expense of a formal consent application.

2. The application, once processed, will be circulated to officials of the municipality, commissions, agencies, etc., for comments.
3. The legal notice outlining the date and time frame for written submissions will appear in The Sudbury Star newspaper at least fourteen (14) days prior to the decision date, and for proposed consent applications that are larger in scale or may affect adjoining properties, a courtesy notice may also be mailed to the property owners within 60 metres of the subject lands.
4. The decision of the Consent Official will be sent no later than fifteen (15) days from the date the decision was rendered.
5. If no appeal to the Ontario Land Tribunal is filed within twenty (20) days after the notice of decision is sent, the decision of the Consent Official is final.

NOTE: It is only after the expiration of the appeal period, the fulfilment of conditions of approval and the submission of a plan of survey (if required), that a "Certificate of Official" is issued to permit registration of the relevant documents at the Land Registry Office.

REQUIRED CONSENT SKETCH SAMPLE

A sketch drawn to scale in METRIC units showing the following:

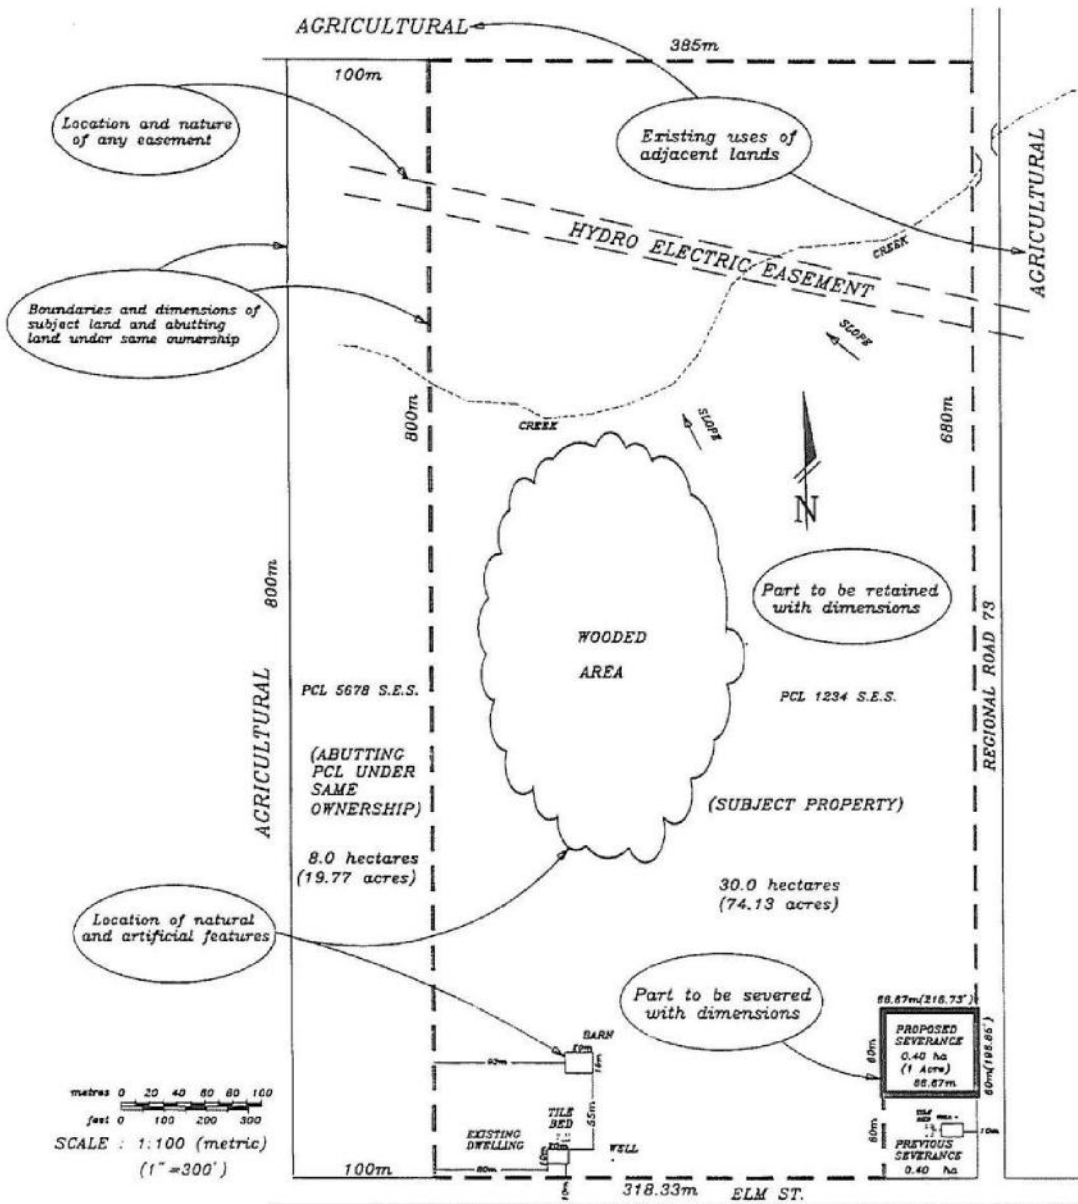

- 1) The boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land. Measurements must be in metric.
- 2) The approximate distance between the subject land and the nearest township lot line or landmark such as a bridge or railway crossing.
- 3) The boundaries and dimensions of the subject land, the part that is intended to be severed and the part that is intended to be retained. Measurements must be in metric.
- 4) The location of all land previously severed from the parcel originally acquired by the current owner of the subject land.
- 5) The approximate location of all natural and artificial features (for example, buildings, railways, roads, watercourses, drainage ditches, banks of rivers or streams, wetlands, wooded areas, wells and septic tanks) that;
 - a. are located on the subject land and on land that is adjacent to it and,
 - b. in the applicant's opinion, may affect the application.
- 6) The current uses of lands that are adjacent to the subject land (for example, residential, agricultural or commercial).
- 7) The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way.
- 8) If access to the subject land will be by water only, the location of the parking and boat docking facilities to be used.
- 9) The location and nature of any easement affecting the subject land.

Scale 1:200

The required sketch must be shown to scale. The preferred size is on paper no larger than 8.5" x 14". Larger plans will be accepted provided a reduction for circulation purposes is also submitted.

NOTE* Measurements must be in metric.
