4. Cultural Heritage Value or Interest

Please describe, in detail, why the property is important and merits designation or listing. Please refer to the criteria listed below in developing your response.

Please note that in addition to the above description, Heritage Value Assessment applications should be accompanied by materials (e.g. photos, newspaper clippings, journal articles, etc) that support the applicant's request.

Criteria for determining cultural heritage value or interest (Per the Ontario Heritage Act)

1. The property has design value or physical value because it,

 - ii. displays a high degree of craftsmanship or artistic merit; or,
 - iii. demonstrates a high degree of technical or scientific achievement.
2. The property has historical value or associative value because it,

5. Description of Heritage Attributes

Please describe the key attributes or elements of the property that contribute to its cultural heritage value or interest.

Therefore, only those attributes that relate to the cultural heritage values or interest described in question 2 above should be included.

Heritage attributes include, but are not limited to:
