Dear Ms. Hache,

Re: Annual Report to Council

Older Adult Centre Sudbury is offering its seventh winter season of programs and services for those aged 50 years and better in the Greater Sudbury Area. There have been many exciting developments in the Centre's programs and mandate for community outreach and development over the past year.

As a significant partner of the Centre, Older Adult Centre Sudbury would like to make a presentation to His Worship Mayor Rodriguez and the City of Greater Sudbury Councillors on Wednesday February 21, 2007 at the Priorities meeting. This presentation will include an overview of the Centre, its services, accomplishments and partnerships, and provide an opportunity for questions that the Council may have about the Centre.

Please contact me at your earliest convenience to discuss this further.

Sincerely,

Tina Pilon
Manager
