Attention: Ms. Angie Haché  
City Clerk

Dear Ms. Haché:

The Barrydowne Extension Committee is a group of concerned citizens advocating for the construction of an alternative road from Valley East to the old City of Sudbury.

We would like to appear before the City of Greater Sudbury's Priorities Committee to introduce our group to the new members of city council and to advise of our upcoming plans to promote the construction of the Barrydowne Extension. Would you please arrange to place the Barrydowne Extension Committee on the agenda for the Priorities Committee's meeting in February 2007?

Thank you for your assistance in this matter.

Yours truly,

  
Nellie Lanteigne  
Committee Member
