See Table 2 for detailed disposition breakdowns

Disposition rates for 2015 are still preliminary; as of the date of this report, 84 animals remain "still in care" of the Shelter, foster homes or with our rescue partner, Small Things CATS, awaiting adoption.

We are on track to have pushed our save rate for cats to over 56%, for a 20% increase over 2009. Cat intake numbers remain high with 710 live cats received from The City of Greater Sudbury. Redemption rates remain low at 7%, up slightly from 5% the previous year. Cat adoptions are up to 49%; a 3% increase over 2014 and a 17% increase over 2009 numbers. The save rate for dogs remains steady at 90%.

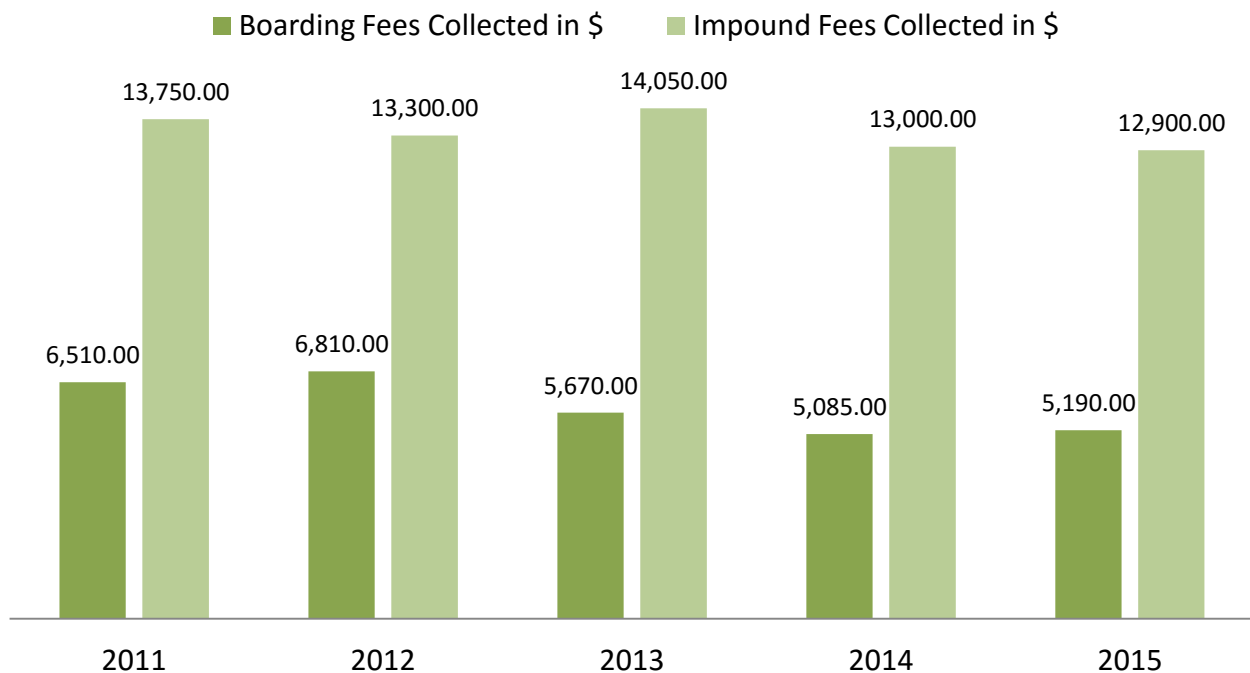

Total Intakes 2015

Animals from The City of Greater Sudbury continue to make up the majority of animals received at the Shelter. While the City only reserves 62.5% of our capacity (50 of 80 shelter spaces) for housing animals from The City of Greater Sudbury, over 90% of the animals coming to the Shelter originate in The City of Greater Sudbury.

Impound and Boarding Fees Collected

Impound and boarding fees collected from individuals redeeming animals from the Shelter pursuant to the Animal Control Bylaw continue to account for only a small portion of our total revenues.
