TransCab Service for residents of Long Lake and Salo Road
Please call: 705-522-1380

Greater Sudbury Transit offers a TransCab service which extends the reach of public transit to areas that are not easily accessible by Greater Sudbury Transit buses.

How it works:
Outbound (to Long Lake and Salo Road): Ask the bus driver for a transfer for TransCab service. When you get into the taxi at your transfer point, hand the transfer to the taxi driver.
Inbound (to the Downtown Transit Terminal): Call for TransCab service at least 90 minutes before your bus departure time. A taxi will deliver you from your home to the bus transfer point.

Times: TransCabs are available at times marked with a symbol. Please check Greater Sudbury Transit schedules for TransCab availability.
Fares: TransCab service is included with your bus fare. There is no extra charge.

Transfer Points: Long Lake Road TransCabs meet buses at the bus shelter in the parking lot of the South End Walmart. Salo Road TransCabs meet buses at the confectionary store on the corner of Kelly Lake Road and Southview.

Availability: TransCab service is available to residents of Long Lake. Some restrictions apply – service area is from Silver Lake Road and further down Long Lake Road (to the end of Dew Drop Road). There is no service for Jarvi Road or Orange Road. TransCab service to Salo Road is available to the end of Salo Road. *Greater Sudbury Transit endeavors to run on time but delays may occur due to weather or traffic conditions.*
