

NOTICE OF COMPLETION

Municipal Class Environmental Assessment Second Avenue Infrastructure Improvements

The City of Greater Sudbury (City) is proposing road improvements on Second Avenue (MR 72) between Donna Drive and First Avenue, including road widening to accommodate additional lanes between Donna Drive and Kenwood Street.

The City has planned this project as a component of a Master Plan study (City of Greater Sudbury Transportation Study) in accordance with the requirements of the Schedule 'B' of the Municipal Class Environmental Assessment Process. Subject to comments received as a result of this Notice, and the receipt of necessary approvals, the City intends to proceed with the design and construction of this project in 2016.

Further to the Project File submitted in March 2015, the Project File has been updated to document the additional study that was undertaken to identify and address the existing and future traffic congestion on Second Avenue and evaluate alternative solutions to address the problem / opportunity statement.

The Project File is available at the following locations:
